ART DEPARTMENT

Glasgow - 07894206162 - megan.etoompou@gmail.com - megantoompuu.com

PROFILE

Originally from Canada, I am now living in Glasgow and looking to continue working in the art department for film and television. I am very eager to learn and take on new challenges within the field. I have worked on a variety of different film sets, from feature films to shorts, from television series to web series. I am a well-rounded worker, a team player, and will work hard to better my craft.
